Saturday's City League base ball games were conspicuous on account of chalked up against each team participating. Undoubtedly the cold day played a prominent part in the erratic playing of the men. At Riverside park quite frequently the pitcher had to wait until the dust settled before he could start his delivery.

Despite adverse conditions all the games were interesting on account of the close race and good crowds braved the threatening rain and cold wind to

The first game was called at River side at 1:45 and was hotly fought every inning except the 3rd when the Bridge Co., got to Lynde for 10 runs. Harris who relieved him held the Bridge safe during the rest of the contest. Kennedy of the winners pitched a good game.

The second was a pretty contest in which the Cooper won from the Moose by a two run margin, Davis and Bun Taylor had a good day on the mound and each were ably supported.

Davis seemed to have the best of the argument holding the Moose to 9 hits while his team mates secured 11 off of Taylor.
